

~ His Cruel Kindness ~

By using your deadly beauty,
You're aware of the fatality.
Using it well as bait,
Expecting lots of hearts will melt.

Eyes will pop out,
Neck will break,
Saliva will ran dry,
Lacrimal will leak,
And they will learn to tell a lie.

Home will be broken,
Heart's will be cut uneven.
You'll feel your body sore and in pain,
But you'll be addicted to do it again.

But his cruel kindness...
Made you stop on the things you used to do,
He rescued you in that place.
He's with you wherever you go.
