

## **Dying Matters**

Grab life  
with both hands,  
Take a kiss  
at every chance.  
Dance.  
Smell the grass,  
laugh.  
Play loud music,  
eat steak,  
make mistakes,  
lots.  
Spend every penny  
and then some,  
Buy chocolate  
by the truck load  
and fill your tum ...  
to busting,  
go on .. be disgusting.  
Throw the most lavish  
Party,  
laugh hearty.  
Spoil your friends,  
and love those  
who love you  
to the very end.
