

The Politician with a Black Heart
Dedicated to: All Corrupt Politician in the Philippines

He wants to be in the higher position
He will find a way for that's his ambition
There's no one who can stop him
He said "People vote for me and your life will be like heaven."

How depressing is the competition
He doesn't like the results; he needs to take an action
He wants to have more money
For he can't do what he wants to do, never easy
He wants to sell his own property
His money in the bank is not plenty

Oh, at last he has the power
How comfortable he is setting in that chair
He got it legal and illegal with his gun powder
And all that money he spent he'll get it back sooner or later.
