He was so grateful, because his dreams come to life.  
He's the captain of a luxury ship and he has a beautiful, young wife.

Then he has a son that made everything's complete.

How he sleep with a smile on his face every night,  
He's so proud of himself.  
Because his friends envied him so great,  
Even his own brother...  
He acted not so obvious but it's so clear.  
His wife, she was really a nice catch.  
He was captivated by her beauty, modesty and silent type.  
He trusted her so much,  
He believes that everything will going to be alright.

**HUSBAND:**

I want to go home next month,  
Want to surprise her on Valentine's Day.  
Oh how good I felt when she chant,  
How she feels towards me.  
But she was sad because we're going to miss again this February,  
I am hurt by the words she said.  
So I went to my superior and begged him and YES!  
He let me go home to celebrate it with my MRS.

**WIFE:**

Poor Husband,  
You may never understand.  
I yearn for your embrace,  
But you're not always around for my craze.  
So I will made this coming Valentine,  
An unforgettable moment of mine.  
I'd did this last year,  
But don't you worry Dear...  
It's only a one night stand,  
He's a virgin young man.  
Strong and fit just like you...  
And how he thanks me so.  
Because, I'm a great sex educator,  
I taught him where and how to anchor.  
After that day he wed,  
His wife likes him to always get her to bed.  
Now, I just like this another man..  
Whenever he flashes his killer smile,

The way he moves and his fashion style,  
He has the gift of the gab,  
The gift I wish you had.  
He's almost two times older than your age,  
But still strong and inshape Bod.  
His organ is still in rage,  
You are far comparing to your Dad.  
Your younger brother is much like him,  
It's just you're rich and better looking...
