

A Pictorial Autobiography

I've spent many days sitting in airports. This is Mumbai Domestic Airport at Chhatrapati Shivaji.

On a horse at the pyramids in Egypt.

Indian Ocean on a speedboat with Pinx.

With Amrit on camels in Arabia.

A still from my film, Hurricane

Manoeuvres with the Indian Army.

At El-Alamein war graves.

Helen. She destroyed my life.

With Pinx in Goa.

Mediterranean Sea in a speedboat.

Ingrid Ora from Dusseldorf. Her story hasn't been written yet.

In my intrepid explorer gear.

Looking cool and deadly in a village.

Not looking cool and deadly.

Karkani from United Arab Emirates and then Oman. I have written two novels for her.

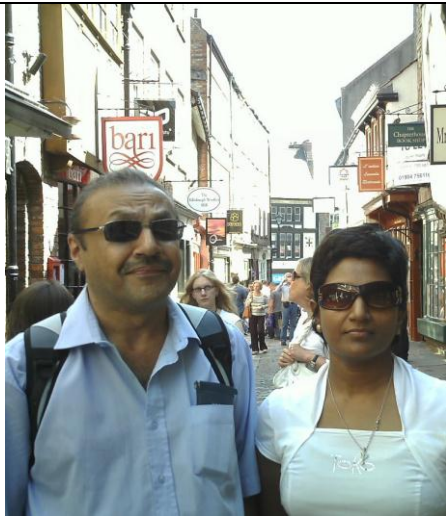

Warzone.

At the Palace, practising for my OBE.

Feeling amorous in Arabia

Trying to look respectable in York.

Trance nation all night rave, complete with hairy chest.

The last time I launched a book.
