

You are part of me,  
And I am part of you  
When I know you're hurting,  
Then I am hurting too.  
You say that you don't love me,  
For all I know that's true  
But still you are a part of me  
And I am part of you.  
You say that you don't want me  
That we're just friends, we two  
But still you are a part of me  
And I am part of you.  
I wish that you could love me  
Love me strong and true  
So you will know that true love  
Is part of me and you.  
Our story hasn't finished  
Our story isn't done  
And it won't be finished  
Until we two are one.  
It may take many ages,  
It may take many years  
It may take many promises  
It may take many tears,  
But later if not sooner  
Then you will come to know  
That our ways lie together  
And together we will go.  
And all I wish and hope for  
And all that I can be  
Will wait until I'm part of you  
And you are part of me
